Collaboration for
Entrepreneurship | ACE'08

THURSDAY, JANUARY 17, 2008

Calling Michigan Entrepreneurs!

ACE promotes the development and commercialization in Michigan of high-growth potential, innovative, and technology business ventures with national and international potential.

Now in its eighth year, ACE brings Michigan entrepreneurs together to meet and network with peers, support organizations, investors, service providers, and students. Come and join us for a celebration of entrepreneurship!

Program Includes:

- Three new interactive Workshops: *Innovation in Michigan*, *Tapping Michigan Resources*, and *The Migration from GM to Gee-Whiz*
- A Showcase Presentation by a growing entrepreneurial company
- The ACE Elevator Pitch Competition: Six pitches, judged by an investor panel with the winner recognized
- Presentation of the Phase I Great Lakes Entrepreneur's Quest Awards
- An Entrepreneurs Exhibit Display Hall, this year with a new a Poster Presentation Area for very early-stage concepts
- Refreshments and Networking
